His Worship Mayor Keith Fielding
and Members of Council
Corporation of the District of Peachland
5806 Beach Avenue
Peachland, B.C. V0H 1X7

Dear Mayor Fielding and Councillors:

I would like to congratulate the District of Peachland on its innovative work with Tourist Radio Canada to promote its community to travellers and local citizens.

Our wonderful province is home to a geographical diversity that lends itself to a vast array of activities, adventures and special events, making tourism in British Columbia the success that it is today. I am pleased about the District's approval to allow Tourist Radio Canada to set up a transmitter site in its region to communicate tourist information to listeners. What better way to connect visitors and citizens to local businesses than a radio station for relevant, up-to-date travel and destination information.

Your efforts will help to provide an enjoyable experience for all visitors to British Columbia. Thank you for helping to shape the strong reputation of our Province.

Sincerely,
