

# Frequency Sweep for Tourist Radio

City: \_\_\_\_\_ Checked by: \_\_\_\_\_

We are looking for the FM frequency (Day and Night) with the least amount of activity to get the cleanest signal.  
Please email to jim@touristradio.ca or fax to: (888) 867-3217

Make notes for FM broadcast activity by putting:

**S for STRONG M for MEDIUM W for WEAK** in space provided.

Please call for any clarification; Jim 250 863-8372

## Day Time

## Night Time
